1. OPENING REMARKS

This meeting was the first council session of the International Organization for Marine Aids to Navigation. The President expressed gratitude to the Council for supporting Brazil for the presidency. He welcomed all Councillors and particularly new members Albania, Croatia, Romania and Belgium.

2. APOLOGIES FOR ABSENCE

There were no apologies received for this session.

A list of participants is at Annex B.

3. APPROVAL OF THE AGENDA

Input paper C01-3.1 refers.

The agenda was approved and can be found at Annex A.

4. VACANT POSITION WITHIN COUNCIL

Input paper C01-4.1 refers.

Based on consultations with members and the fact that the group was elected at the Council meeting in Rio de Janeiro for the 2023–2027 term.

The Council elected the Chair and members the Finance and Audit Group as follows:

- United Kingdom (Chair);
- Chile;
- France;
- Germany; and
- Malaysia

5. STRATEGY AND POLICY

5.1 Results of the 1st General Assembly

The Secretary-General reported that the 1st General Assembly was successfully held from 18 to 20 February 2025 and a short report of the meeting would be posted on the website within the next couple of weeks. It was intended that the report would not reflect all the comments made during the meeting but the audio recording of the sessions would be made available on the website instead. The report would consist mainly of the Resolutions approved by the General Assembly.

The Council noted the results of the 1st General Assembly.

6. AFFILIATE INDUSTRIAL MEMBERS GROUP

The representative of the Affiliate Industrial Members Group Simon Brooks reported that the Affiliate Industrial members held their Assembly on 17 February and announced he elected group as follows:

Company name	Representative for
Flotex SRL, Italy	Europe and Africa
Mediterráneo Señales Maritimas, Spain	Europe and Africa
Japan Radio Co, Ltd, Japan	Asia and Oceania
Sealite Pty Ltd, Australia	Asia and Oceania
Tideland Signal Manufacturing, LLC, USA	The Americas
ARBO Plásticos, Brazil	The Americas
Aatash Norcontrol Ltd, India	Country of next Conference
Australian Maritime Systems Group, Australia	All members
Sabik, Finland	All members

The Secretary-General emphasized, for new councillors, that the committees of IALA relied a lot on the technical expertise from the Industrial members. He also explained that the president of the AIMG was from India as he would be responsible for organizing the Industrial Exhibition for the next conference to be held in Mumbai in 2027.

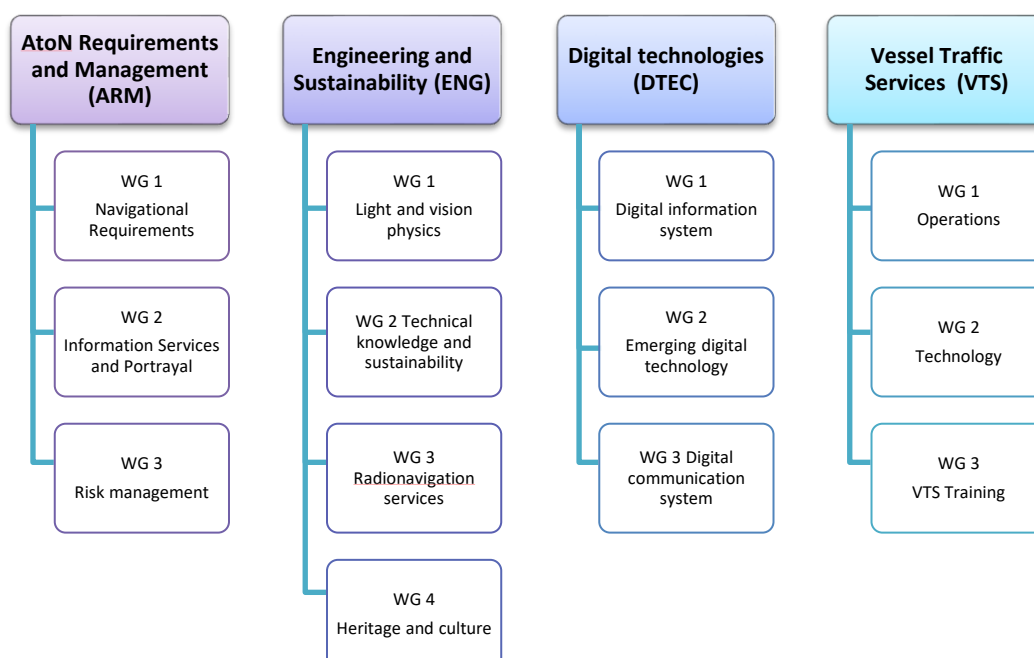

The Council noted the AIMG's report.

7. TECHNICAL ACTIVITIES

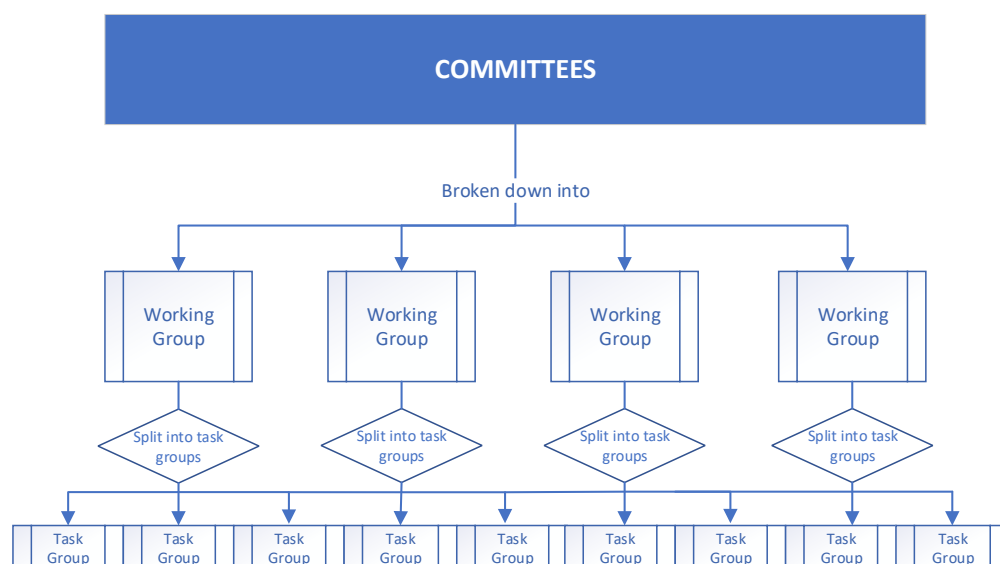

7.1 Committee Structure and working arrangements

Input paper C01-7.1 refers.

The four committees, agreed by the General Assembly, operate under the authority of the Council and are structured to ensure efficient progress in their respective areas. Their work is guided by the Work Programme, which defines key tasks, priorities, and timelines.

The four committees will convene twice per year in person, with the option for virtual opening participation. Unless otherwise agreed, meetings will be held at the headquarters of the Organization in Saint-Germain-en-Laye, France.

The Councillor for Finland requested clarification on online participation. The Secretariat confirmed that, although in person participation is the preferred option, all meetings will, as far as possible, have an online attendance option.

The Council approved the committee structure and working arrangements.

7.2 Committee's work programme 2025-2027

Input paper C01-7.2 refers.

The Work Programme is a structured plan that guides the activities of the committees in line with the Strategic Vision approved by the General Assembly. It is designed to ensure that the Organization's technical and policy-related work is carried out in a systematic and prioritized manner. The Work Programme operates on a three-year cycle, allowing for continuous progress while providing flexibility for necessary adjustments over time.

The PAP 56 session conducted a review of the 2023-2027 Work Programme, which was originally approved by Transition Council 3. Based on this review, the PAP has modified the Work Programme to reflect new priorities and ensure its relevance for the upcoming period 2025-2027. The revised version is now subject to Council approval, after which it will become the official baseline for the Committees' work during the 2025-2027 period.

The Council approved the work programme for 2025-2027.

7.3 Appointment of Chairs and Vice Chairs for committees and subsidiary bodies

Input paper C01-7.3 refers.

In accordance with the Convention Article 8.8 (k) the Council appoint Chairs and Vice Chairs of Committees and subsidiary bodies.

By letter Circular Letter 2025/01 of 08 January, all member States have been invited to nominate candidates for the position of Chair and Vice Chair of the Committees and subsidiary bodies for the next work period.
