## **Feedback from Governments on the Preparatory Diplomatic Conference**

### **1 BACKGROUND**

IALA National Members and their Governments have been invited to take part in a Preparatory Diplomatic Conference in Paris on 18 & 19 April 2017. The purpose of this Conference is to facilitate the process towards a Diplomatic Conference to establish IALA as an IGO through an international Convention.

### **2 DISCUSSION**

The Secretariat, on behalf of IALA, would be grateful if participants in LAP18 could bring to LAP's attention any comments made by their Government ministries of Foreign Affairs and/or Transport on the papers for the Conference and in particular on the text of the draft Convention and General Regulations. This will help ensure that the Conference sessions are as productive and effective as possible.

### **3 ACTION REQUESTED**

Participants in LAP18 are invited to forward comments from their Governments as they think appropriate.
