## Draft Preamble for IALA Standards

### 1 SUMMARY

Input paper LAP18-12.1.1 is a proposal for a preamble for IALA Standards based on other available formats for standards and IALA Recommendations.

### 2 BACKGROUND

PAP32 invited the Secretariat to draft a preamble for the planned IALA Standards to review by LAP at its 18<sup>th</sup> meeting and subsequent consideration by PAP33. The preamble should be high level and provide the IALA members and the public with a background to the Standard.

### 3 DISCUSSION

The Secretariat, based on other Organizations' standards and the already agreed preamble for IALA Recommendations, developed the draft preamble for IALA Standards that appears as input paper LAP18-12.1.1.

It requires a slight reorganisation of the draft texts for IALA Standards submitted to PAP33 as input papers PAP33-6.2.1.1 to PAP33-6.2.1.7 available from <http://www.iala-aism.org/meetings/33-2/>.

### 4 ACTION REQUESTED

The LAP is invited to **consider** the draft preamble for IALA Standards as at input paper LAP18-12.1.1.
