Review of the Terms of Reference for LAP

1 BACKGROUND

Independent from the current Corona pandemic which led to extraordinary measures in organizing virtual IALA meetings the current ToR for the LAP includes LAP meetings usually twice a year. In the past these meetings were scheduled at the end of each Committee season in order to enable LAP to give advice in time to the following Council meeting on all papers and as requested by the Secretariat or a Committee. In the past some LAP meetings were cancelled due to a lack of agenda items or other events in relation to the change of status.

2 DISCUSSION

Discussion of the current ToR, especially with regard to the ordinary biannual meeting schedule, and in a dialogue with the Secretariat if they still meet both the needs and interests of the LAP members and those of the organization.

3 ACTION REQUESTED

LAP is requested to consider the above proposal of discussion.
