Council Decision on the Transitional Arrangements from the KL Convention

1 BACKGROUND

The Diplomatic Conference held in Kuala Lumpur, Malaysia from 25 to 28 February 2020 reached the result it was aiming at. The Conference marked a very important step for IALA as the Convention for the future Organization under intergovernmental status was adopted. More than 239 persons from 62 States participated in the Conference or were observers. Delegates with credentials from 50 States signed the Final Act of the Conference adopting the text of the Convention and two resolutions: one resolution on languages of the Organization and one on the signing ceremony in Paris in November 2020. The Convention includes robust arrangements for a smooth transition in the annex – Transitional arrangements.

These arrangements will ensure that the activities of IALA's organs and its technical work in the area of Marine Aids to Navigation will continue uninterrupted and that its responsibilities towards the maritime community will be undiminished and maintained with the customary high level of commitment and expertise.

2 DISCUSSION

During the diplomatic process it was mentioned several times that it is important to pass a Council Decision through the present Council of IALA to make sure they will act in accordance with the intention in the Transitional Arrangements once the Convention has entered into force.

The Transitional Arrangements specify roles for the President, Vice President, the Council, The Secretary-General, the Secretariat and the Organs of IALA in the transition period.
