

TRANSITION COUNCIL
3rd session

10-13 December 2024
Headquarters, France

15 –MEMBERSHIP

15.4 –Termination of membership

Revised Note by the Secretariat

1. BACKGROUND

Since the June Council session and although the Secretariat had informed these members of their suspension in the first instance, then of the exceptional measure decided by the Secretary-General to waive their arrears provided that their contributions are settled before 31st October, no reaction was observed. The following organizations are now in position to be removed from IALA.

2. PROPOSED TERMINATION OF MEMBERSHIPS:

For National membership:

- **Office National de Signalisation Maritime, Algeria (1ALGE01).** This organization has been a member since 1963 and was suspended at Council 69. Although they informed IALA that IGO status would facilitate the administrative payment process, they remain silent.
- ~~**Direction Générale de la Marine Marchande, Rep of Congo (1RCON01).** Since they joined in 2015, no contribution was paid, and they were suspended by Council 69. They signed the Convention on 2022. They attended the Conference in Rio last year, but they could not vote at the General Assembly.~~
- **Instituto Hidrografico de Sinalização Marítima, Angola (1ANGO01).** This organization has been a member since 2019. They have signed the Convention, and they attended Conferences. They owe four years of contributions.
- **Nigerian Ports Authority, Nigeria (1NIGE01).** This organization has been a member since 2011. They did not attend the diplomatic process and they owe four years of contributions.
- **Service National de la Signalisation Maritime, Gabon (1GABO01).** This organization has been a member since 2014, and they have signed the Convention. They owe four years of contributions.

The Council is invited to decide on the termination of these five National members. They have been accumulating debts for many years and remain silent on all our communication relating to their membership or their financial obligations. They keep the possibility to join the IGO if they become party to the Convention.

For Industrial membership:

- **Beijing Caton Global Technology Co. Ltd, People's Republic of China (4CHIN03):** this organization has been a member since 2005. They owe three years of contributions.
- **Shanghai Space Earth Net Information, Technology Co., Ltd., People's Republic of China (4CHIN21):** this organization has been a member since 2021. They owe three years of contributions.

- **Safe Sea Services FZCO, The United Arab Emirates (4EMAR08):** this organization has been a member since 2021. They owe three years of contributions.
- **Tridel Technologies Private Ltd., India (4INDE07):** this organization has been a member since 2020. They owe three years of contributions.
- **BC Cuerpo Construction Corporation, Philippines (4PHIL05):** This organization has been a member since 2022. They owe three years of contributions.
- **Tecotrex Welding Marine, Qatar (4QATA03):** this organization has been a member since 2021. They owe three years of contributions.

For Associate membership:

- **Port Autonome de San Pedro, Côte d'Ivoire (3COTE01):** this organization has joined IALA in 1981. They owe three years of contributions.
- **TWL Logistics Ltd., Papua New Guinea (3PAPO01):** this organization has been a member since 2021. They owe three years of contributions.
- **Rosmorport, Russia (3RUSS01).** This organization has been a member since 2009. They owe three years of contributions.
- **Instituto Nacional de Canalizaciones, Venezuela (3VENE01):** This organization has been a member since 1982. They owe five years of contributions.

THE COUNCIL IS INVITED TO

Decide on the terminations of the organizations listed under **2**.
