

Agenda item	1.4 Welcome SG
Author(s) / Submitter(s)	Secretariat

MEMBERSHIP STATUS

1 BACKGROUND

Since January 2020, IALA was joined by 1 National member, 4 Associates members and 11 Industrial members. A new application for Industrial membership was also received on 18 June from China and is subject to the December Council approval.

2 APPLICATIONS

- The following organization was accepted as National Member: Service de la Navigation Maritime in Haiti. IALA counts 88 National members.
- The following organizations joined as Associate members: The Namibian Ports Authority, Nigeria Marine Coast Guard Voluntary Services, Port Authority of Kribi in Cameroon, Instituto Costarricense de Puerto del Pacifico in Costa Rica. This brings the number of Associates members to 69.
- IALA has also welcomed the following Industrial members: Crux Marine in Argentina, QinqDao Hotech Automated Technology Co Ltd and Ningbo Botai Plastics Technology Co Ltd in China, Maritime Atlantic Global S.A.S in Colombia, Sabik Offshore GmbH in Germany, Tridel Technologies Private Ltd in India, Harmoz Berkeh Ertebat Elektronik Gil in Iran, Norbit Aptomar AS in Norway, Invelco SA in Spain and International Transportation Mgmt P.A in the USA. Industrial Members consist of 145 to date.

The membership growth is nevertheless impacted by several resignations noted and terminations proceeded by the IALA Council in December for non-payment of contributions after the Secretariat had exhausted all efforts to collect their debts.

3 RESIGNATIONS AND TERMINATIONS

The IMC may note the following resignations from Industrial membership and terminations which took effect on 1st January 2020:

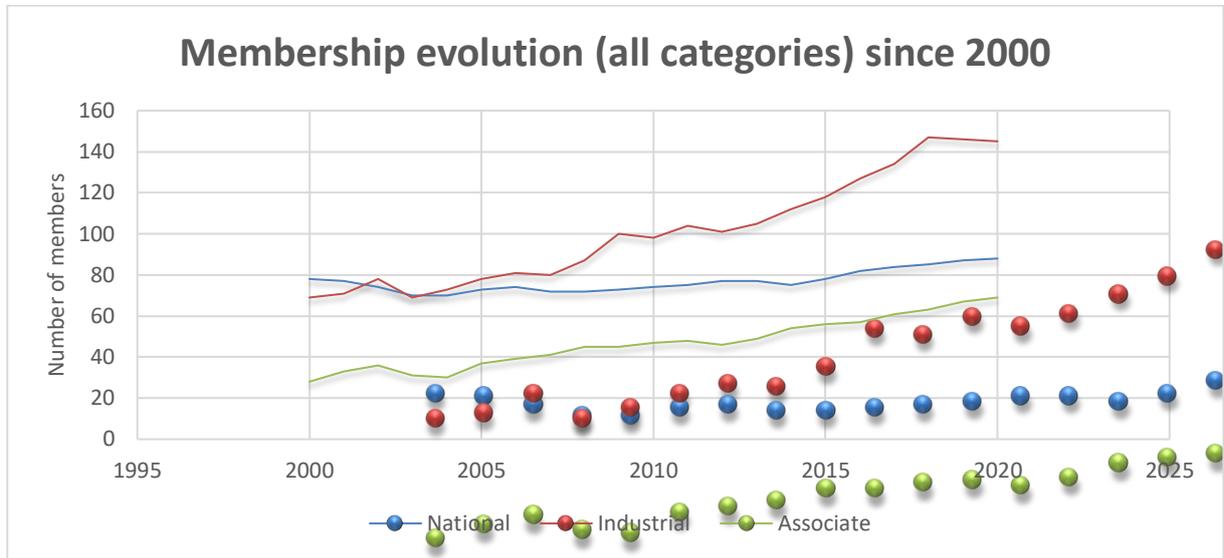

- **Resignations:** Oi Electric -United Marine from Denmark, Nesspoint (Ex Vissim) from UK.
- **Terminations:** The Babcock International Group in UK, Wujiang Xinhua Navigation Aids Manufacturer in China, Beacon Co in Egypt, L-3 Communications in the USA, Raad Bushehr Engineering Co in Iran, Depasa Marine International Ltd, Continental Shipyards Ltd and Dorruna Nigeria Ltd in Nigeria, Vesper Marine in New Zealand, Tide Technologies in Singapore and PMS Polietilen Mam San Tic A. S in Turkey.

At Present, IALA counts 302 members and 42 Honorary members.

The Secretariat continues to receive a lot of interests in membership, especially from industries. However, the current situation caused by the Covid19 seems to be a brake making decision.

4 EVOLUTION

The figure below shows the membership evolution in the last 10 Years and the map gives an overview of the IALA National Membership around the World in 2020.
