

ASEAN - Japan Regional VTS Training

**43rd IALA VTS Committee
20th March 2017**

**CDR Eiichi Masuda
Administration and Planning Div.
Maritime Traffic Department
Japan Coast Guard**

The Third ASEAN-JAPAN Regional Meeting on VTS Operator Training

13th – 17th February 2017, Tokyo / Nagano

The extracted conclusions:

1. Respecting IALA Recommendations and Guidelines for effective OJT,
2. Understanding the present situation and associated SOP of VTS, difference of traffic situation and VTS environment in ASEAN region,
3. Recognizing the need to set up procedures to conduct OJT in each member country after successful completion of V103/1 in MATRAIN.
