1	I missed the information that there will be one more closing plenary online.	11/5/2022 10:24 PM
2	Cannot compare	11/1/2022 12:09 PM
3	Not sure, the silent approval is good to allow more time but at the physical plenary all documents for approval are presented to the participants so they actually see them. An issue with the silent approval is that some participants, whilst they have the opportunity, they may not get round to reviewing the documents.	11/1/2022 9:20 AM
4	In practice it felt like two near-identical closing plenaries.	10/28/2022 3:21 PM
