

**Agenda item 8 - IALA TECHNICAL ACTIVITIES****8.2 ENAV****8.2.5 Workshop on employing the e-Nav Common Shore-based System Architecture (CSSA)****Note by the Secretariat****1. Event**

A workshop on the subject of employing the e-Navigation Common Shore-Based System Architecture (CSSA) was hosted by the German Federal Waterways and Shipping Administration in Hamburg, Germany between 26 and 29 August 2014. The workshop was attended by 47 delegates, representing 16 countries (see ANNEX D).

**2. Output**

The workshop produced

- A draft Recommendation on the Generic Service Engineering Model [for e-Navigation Shore Infrastructure] in the form of a suite of documents comprising a recommendation with annex and 14 appendices.
- A number of important conclusions for IALA to consider as part of implementing the IALA CSSA

**3. Reference**

The report of the Workshop is at input paper C59-8.2.5-2.

**Action requested of the Council:**

The Council is invited to note.
