

IALA COUNCIL
59th session

9-10 December, 2014
IALA Headquarters

Agenda item 8 - IALA TECHNICAL ACTIVITIES

8.3 VTS

8.3.2 Draft revised VTS Committee Work plan

Note by the Secretariat

1. Background

At its 38th meeting, the VTS Committee reviewed the content and presentation of its Work Plan. The draft revised Work Plan includes some new tasks, and also provides

- A better description of the tasks
- A more accurate description of expected outcomes

The draft revised Work Plan is provided as input paper C59-8.3.2-2, where new or revised text is indicated by yellow highlighting.

The Committee intends to maintain the “Session” and “Status” columns at each meeting to provide clear indication of the progress of each task.

2. Action

The Council is requested to approve the draft revised Work Plan.
