**Dakar**  
**Senegal**

**Agenda item 15 – Membership**

**15.3 Resignations from Membership**

Note by the Secretariat

**1. Executive Summary**

Since the last Council, the Secretariat received the following resignations from IALA Membership:

**2. Members having resigned from IALA Membership**

National Members:

- None

Associate Members:

- None

Industrial Members:

- Transfield Services, Australia: Resignation notified on 19<sup>th</sup> June 2015 with effect 1<sup>st</sup> January 2015, due to business restructuring. This company has been a member of IALA since January 2014. They would however like to keep in touch with IALA and would consider reinstating their membership in the foreseeable future, should the market change appreciably. The contribution for the year 2015 was cancelled.
- Sharp Corporation, Japan: Resignation notified on 31<sup>st</sup> August, with effect January 2016 due to business restructuring. This company was of the eminent Industrial members of IALA since 1968. Its prompt payment of the contributions every year was noted in particular, and its full support to IALA activities and events was fully appreciated. The contribution for this year is settled.
- Thales Air Systems: France: Resignation notified on 20<sup>th</sup> November with effect January 2016. This Company has been an Industrial member of IALA since 2010. They intend to pay the 2015 contribution very soon.

**3. Action requested**

The Council is invited to note the resignation of these members.
