

IALA COUNCIL
62nd session

21-24 June 2016
Lisbon
Portugal

11 – TECHNICAL ACTIVITIES

11.4 - ENAV

Withdrawal of IALA Guideline 1059 Comparison of Different Types of AIS Stations

Note by the Secretariat

1. BACKGROUND

The ENAV Committee at its latest meeting in March 2016 noticed that the IALA Guideline 1059 on a Comparison of Different Types of AIS Stations, which was approved by the Council at its 43rd session in May 2008 contains outdated information, which is now superseded by latest information contained in IALA Guideline 1082 – An Overview of AIS, approved in June 2011 and a revised edition of which is submitted for approval as input paper C62.11.4.5.1.

2. WITHDRAWAL PROPOSAL

The ENAV Committee suggest withdrawing IALA Guideline 1059.

3. THE COUNCIL IS REQUESTED TO

Approve the withdrawal of IALA Guideline 1059 – Comparison of Different Types of AIS Stations.
