

IALA COUNCIL
63rd session

13-16 December 2016
IALA Headquarters
France

11 – IALA TECHNICAL ACTIVITIES

11.1 – ARM

11.1.1 – Draft Recommendation O-149 on Accreditation of training organisations

Note by the ARM Committee

1. INTRODUCTION

This note introduces a draft Recommendation on Accreditation of Training Organisations.

2. DISCUSSION

IALA has approved guidelines on the procedures for how Authorities may accredit and approve Training Organisations and their courses with many Training Organisations now delivering both Vessel Traffic Service (VTS) and Aids to Navigation (AtoN) training based on the IALA suite of Model Courses.

It is appropriate that a suitable IALA Recommendation is prepared to cover training.

3. THE COUNCIL IS REQUESTED TO

Consider the draft Recommendation on Accreditation of Training Organisations and approve as appropriate.
