

IALA COUNCIL
64th session

13-16 June 2017
Incheon
Republic of Korea

11 – IALA TECHNICAL ACTIVITIES

11.2 – ENG

11.2.2 – Draft Recommendation R1004 on Environmental Management in the Provision of Marine Aids to Navigation June 2017 and draft Guideline G1036 on Environmental Management in Marine Aids to Navigation Ed.3 June 2017

Note by the Secretariat

1. INTRODUCTION

IALA documentation is reviewed on a quadrennial cycle to ensure that documents are relevant and up to date.

It was identified that a high level document on environmental management is required in order to fit the new IALA document structure. Consequently a Recommendation on environmental management was drafted.

2. RECOMMENDATION R1004 ON ENVIRONMENTAL MANAGEMENT IN THE PROVISION OF MARINE AIDS TO NAVIGATION

This is a new Recommendation encouraging IALA members and authorities to implement a formal system to protect the marine environment and minimise their impact on the world's resources.

The finalised document is submitted as input paper C64-11.2.2.1.

3. GUIDELINE G1036 ON ENVIRONMENTAL MANAGEMENT IN MARINE AIDS TO NAVIGATION ED.3 JUNE 2017

This is a revision of Guideline 1036 on Environmental Management in Marine Aids to Navigation to edition 3.

Additional information related to climate change and global warming was added, to provide the reader with reference to a source of scientific data that could be used to help deal with this issue in their respective organisation.

The format has been updated to the new IALA style.

The finalised document is submitted as input paper C64-11.2.2.2.

4. THE COUNCIL IS REQUESTED TO

Approve the draft Recommendation R1004 on Environmental Management in the Provision of Marine Aids to Navigation.

Approve the draft Guideline G1036 on Environmental Management in Aids to Navigation Ed.3.
