

**IALA COUNCIL**  
**64<sup>th</sup> session**

**13-16 June 2017**  
**Incheon**  
**Republic of Korea**

**11 – TECHNICAL ACTIVITIES**

**11.4 – ENAV**

C64-11.4.13 – Draft liaison notes to other organizations on MSPs

Note by the Secretariat

**1. BACKGROUND**

The ENAV Committee is developing an IALA Guideline on Maritime Service Portfolios: Digitising Maritime Services.

In view of the fact that the IHO has questioned the validity of the text in several MSPs, the ENAV Committee believes that other MSPs should be reviewed by the relevant organizations.

**2. LIAISON NOTES FROM IALA TO OTHER ORGANISATIONS ON MSPS**

The ENAV Committee has prepared liaison notes on MSPs to the International Maritime Pilots Association (IMPA), the International Maritime Rescue Federation (IMRF), the World Meteorological Organisation (WMO) and the IMO-IHO Harmonisation Group on Data Modelling (IMO-IHO HGDM). The draft IALA Guideline on MSPs accompanies each liaison note.

Each organisation is invited to review and amend, as appropriate, the MSP which is relevant to them.

The finalised documents are submitted as input papers:

C64-11.4.13.1 Draft liaison note to IMPA on MSPs

C64-11.4.13.2 Draft liaison note to IMRF on MSPs

C64-11.4.13.3 Draft liaison note to WMO on MSPs

C64-11.4.13.4 Draft liaison note to IMO-IHO HGDM on MSPs.<sup>1</sup>

C64-11.4.13.5 Draft IALA Guidelines on MSPs v8

**3. THE COUNCIL IS REQUESTED TO**

**Approve** the draft liaison notes on MSPs to IMPA, IMRF, WMO and the IMO-IHO HGDM and the forwarding of the draft IALA Guideline on MSPs to IMPA, IMRF, WMO and the IMO-IHO HGDM.

---

<sup>1</sup> Please note that the HGDM group has not yet been approved by IMO MSC. The information contained in this paper may need to be an input to IMO and reformatted accordingly.
