

Annex Rev 1 – Detailed programme for meetings during Council 74

All meetings will be held online.

Thursday 16 December 12.00-12.30 – MRN presentation and signing of MoU with KRISO, R.O.Korea

Following presentations by the Secretariat and KRISO on Maritime Resource Name (MRN), KRISO and IALA will sign an MoU on mutual cooperation on the exchange of information and engagement in technical projects related to MRN.

Thursday 16 December 12.30-13.00 – Signing ceremony with France for the WWA

The French Republic has supported the World-Wide academy in various ways since its inauguration in 2012.

For several years, France has provided direct financial support to the academy on a case to case basis, but during this ceremony, a new three year sponsorship agreement will be signed.

Thursday 16 December 13.30-14.30 – Mini workshop on MASS

Some of the key persons in IALA's work on MASS will introduce a discussion on the future of MASS related to the work of IALA:

- Introduction by IALA
- Status and future work of the MASS Task Force, by the Chair Mr. Maarten Berrevoets and Vice Chair Capt. Segar
- VTS and MASS, by the VTS Committee Chair Ms. Monica Sundklev
- ARM approach to MASS, by the ARM Committee Chair Capt. Phil Day
- Input and discussion
