

N°: DPDPM/DSSDD/SSPNC/115/2023

Rabat, le 25/05/2023

A
Mr Francis Zachariae
IALA Secretary General

Subject : National Matter of Kingdom of Morocco for the 77th session of the IALA Council Meeting- 30 May to 3 June 2022.

Référence: IALA Circular letter n° 2023/05 dated 16-03-2023.

Sir,

With the reference to Circular Letter n° 2023/05 dated 16-03-2023, We have the pleasure to inform the IALA-Council regarding "National Matters" which are below :

1- Organization of a Level 1 Aids to Navigation Manager certification training session - French session -

In partnership with IALA World-Wide Academy, Morocco organizes from 05 to 23 June 2023, at the Higher Institute of Maritime Studies (ISEM) in Casablanca, a Level 1 Aids to Navigation Manager certification training session in French language for managers of aids to navigation representing Administrations and national authorities. This edition is also open to representatives of French-speaking African states. Participants will benefit from theoretical courses delivered in French by expert teachers from the ISEM in addition to technical visits, It includes : Tanger Med Port, Cap Spartel Lighthouse, Coastal VTS and Mohammedia Port.

2- Celebrating the main event of the World Marine Day of Aids to Navigation

Morocco organizes in partnership with IALA the main event celebrating the World Aids to Navigation Day 2023. It is an opportunity to bring together managers of aids to Navigation and managers of maritime traffic to exchange and share experiences of coastal states around the field of aids to navigation service management and related activities in the scope of maritime safety. It's an occasion to celebrate the Cap Spartel lighthouse nomination as an IALA Heritage Lighthouse of the year 2023 and promote its heritage culture. The event will address tools, practices and successful experiences as well as exposing technical and technological practices from works of IALA industrial members.

So I invite all national and industrial member of IALA to join us to the main event and take part to the technical and cultural visit of Tangier.

Your sincerely,

Sanae El Amrani

Director of Ports and Public Maritime Domain,
Ministry of Equipment and Water

La Direction des Ports
et du Domaine Public Maritime
