

## **15 – MEMBERSHIP**

### ***15.3 – Terminations or Suspension of Membership***

Note by the Secretariat

#### **1. INTRODUCTION**

Since the last council and despite the efforts of the Secretariat in collecting outstanding membership contributions, the following members have still not settled their debts as reported in annex 9.5.1. These organizations are now in position to have their rights suspended or to be removed from IALA Membership.

#### **2. MEMBERS IN POSITION TO BE SUSPENDED**

##### **National membership**

- **Office National de Signalisation Maritime, *Algeria***
- **Service National de la Signalisation Maritime, *Gabon***
- **Direction Générale de la Marine Marchande, *Republic of Congo***

#### **3. MEMBERS IN POSITION TO BE REMOVED**

##### **Industrial membership**

- **Xanatos Marine Ltd, *Canada***
- **Full Oceans, *France***
- **Arman Moje Asia (AMACO), *Iran***
- **Dongkang M-Tech Co, Ltd, *Republic of Korea***

##### **Associate membership**

- **Port autonome de Djibouti – *Republic of Djibouti***

Two other members are in difficulty and are not listed in this paragraph: **ITO** and **Aster S.p.a** from Italy. An intervention from the Italian Council member would be very much appreciated to encourage them to settle their debts.

#### 4. THE COUNCIL IS REQUESTED TO

**Consider** terminating membership for the Industrial and Associate Members listed in paragraph 3, keeping in mind that such a decision may lead to a reaction from the organizations who want to keep their membership.

**Consider** terminating membership of **ITO and Aster S.p.a, from Italy** if no payment is received by next Council in June 2019.

**Consider** suspending the rights of the National Members listed in paragraph 2 at next Council meeting in June 2019 if no reaction is noted by the Secretariat after the Diplomatic Conference in Istanbul in March 2019.

**Consider** recalling the Council members to set an example being the first to settle their contributions each year.

**Consider** recalling the Council members to concretely intervening with the relevant members or authorities in their respective countries, to encourage settlement of IALA contributions.
