

IALA COUNCIL
68th session

11-14 December 2018
IALA Headquarters

Approval IALA Guidelines from ENAV

1 INTRODUCTION

The ENAV Committee was in its Work Programme 2018 – 2022 tasked with the update or development of the following:

- Review and update Guideline 1128 on the Specification of e-Navigation Technical Services;
- Review and update Guideline 1139 on Technical Specifications of VDES.

Work on these tasks was completed at the 22nd meeting of the ENAV Committee with the following revised draft IALA Guidelines:

- Guideline G1128 on the Specification of e-Navigation Technical Services;
- Guideline G1139 on Technical Specifications of VDES.

2 ACTIONS REQUESTED

The IALA Council is requested:

- To consider the draft Guidelines and approve as appropriate.
